## TO STOP DISEASE

SCHOOL OFFICIALS WOULD PREVENT AND REMOVE CONTAGION

## SEEK NEW CITY LAWS

Board of Education, Normal and Physicians May Ask Councilmen Friday Night for Stricter Ordinance

A more strict city ordinance to insure the eradication and prevention of contagious diseases in Maryville, will probably be sought by the board of education, Normal school and physicians, at a meeting of the city council Friday night. The proposition was discussed at a regular meeting of the school board last week and upon the advice of several physicians it was deemed advisable to make the quarantine laws and other ordinances in this regard, more binding.

City Attorney W. H. Crawford, this afternoon, said he had not yet determined the provisions of the present city ordinance relating to prevention of contagious diseases nor how much farther the city could go in this regard. He intends to prepare a more strict bill either tomorrow or Friday for submission to the aldermen Friday night.

### Present Laws Adequate.

"The present city ordinance in this matter is strict enough, I believe, if it was properly enforced," said Dr. Frank Wallis, city physician, this afternoon. "While a more binding law might be enacted, it is my belief that the present one is complete enough if it was compulsory for those afflicted to notify a physician at once and have the ailment examined for presence of contagion."

The quarantine law is also strict enough and is being observed generally by the physicians, according to Dr. Wallis. He says there is now but one case of contagious disease in the city. This is the illness of the young son of James Huffine, East Seventh street, with diphtheria. There are several other cases of contagious diseases, but they have been cured. Young Huffine is still under quarantine.

J. R. Brink, of the board of education, is one of the prime movers, in the effort to establish a more strict quarantine and ordinance to prevent and stamp out contagious diseases. The Normal also is taking an active interest in the matter.

### Went to St. Joseph.

Mrs. W. E. Goforth and children went to St. Joseph this morning to spend the day visiting her parents, Rev. and Mrs. D. W. Conner.

### Telephone Girl Ill.

Miss Beryl McGinniss, operator at the Mutual telephone exchange of Pickering has been very ill for several days.

The annual meeting of circuit clerks and recorders of Missouri will be held in Columbia today and tomorrow. They generally meet in September, but on account of the general election this year it was deferred. It is probable either Circuit Clerk Eugene Rathbun or Recorder of Deeds J. Arthur Wray of this county will attend.

## MANY SHIP LIVESTOCK

Nodaway Farmers Market Large Shipment in St. Joseph Yards.

The following Nodaway county farmers marketed live stock on the St. Joseph market yesterday: Lyons & Co., C. A. Barmann, R. DeBord, E. E. Hackett, E. Walker, A. E. Jones, E. Boyer, C. W. Owens, J. S. Carden, S. Rodman, C. Suttle, A. J. Wells, Murray & Co., C. W. Brown, G. T. Logan, McMaster & Holker, Key & Thompson, Bancroft & Co., J. Caldwell, J. A. Bush, M. D. Young, J. D. Sherer, Harvey & Co., Holker & Co., I. L. Miller, William Conlin, Roscoe & Eaton, J. D. Rice, Joe Holker, Jerrers & Co., Swaine Bros., G. H. Swaney, A. R. Saunders, S. E. Fisher, Sherlock & Co., J. B. Nunneley, A. Craig, P. Straugh, A. Stundon, Jr., W. A. Manigan, Will N. Wray, C. E. Farnan, C. H. Spoonmore, T. E. Young, C. Killion, J. R. Garrard, J. O. Day, L. A. Nigh and R. Nigh.

Three extra freight trains were operated on this branch of the Burlington Monday and Monday night to handle the extra shipment of hogs and cattle from this part of northwest Missouri and southern Iowa. This increased shipment was caused to a great extent as a result of the quarantine being lifted in Iowa by the government a few days ago.

There were about 200 cars loaded with live stock in the three extra trains, about thirty or forty of which carried Nodaway county cattle and hogs into yesterday's market at St. Joseph. The shipment today is lighter, Burlington officials here announced this afternoon.

## ODD FELLOWS ELECT OFFICERS.

William C. Irwin Becomes Noble Grand—Re-Elect Secretary and Treasurer.

The annual election of officers of White Cloud lodge, No. 92, Independent Order of Odd Fellows, was held last night in the hall, on West Third street. William C. Irwin, who has been vice grand for the last year, was elected noble grand to succeed John W. Awalt. Wesley Howland becomes vice grand in Irwin's place.

Amos Sprecher and John G. Grems were re-elected secretary and treasurer respectively. E. E. Williams was elected trustee for three years. One new trustee is elected each year. The lodge has three trustees.

The new officers will be installed in January, the exact date not being decided upon. There will be about ten appointments made at that time by the newly elected noble grand and vice grand.

## MORE ASSESSMENT

WHITE CLOUD VALUATION INCREASES BY \$23,150 IN YEAR.

## WORTH NEAR 3 MILLION

Real and Personal Property, \$777,230—Less Money in South Township, Assessor Reports.

White Cloud is richer by \$23,150 this year over last year, according to the total real and personal property assessment, made by C. E. Baker, in a report to County Clerk George W. Demott this week. He gives the total valuation at \$777,230, of which all but \$166,460 is in real estate. As Arkoe is the only town in the township, no distinction is given here for the separate assessment of city and country.

The report shows, however, that though the valuation of both real and personal property has been increased, the money, mortgages and notes in the township when the assessment was made last spring is less than last year by more than \$2,000.

Though the total valuation is given as less than one million dollars, it is estimated by county officials and township assessors generally that it represents scarcely one-fourth of the total value of real and personal property there. This would mean that the township property really amounts to nearly \$3,000,000.

The report this year gives the number of acres in both town and country at 33,761, and the value at \$610,770, while last year it was given at 33,842, and the value at \$589,050.

The personal property this year is divided as follows:

	Number.	Value
Horses	1,176	\$40,800
Mules	213	8,295
Cattle	2,668	38,130
Sheep	705	705
Hogs	2,916	9,045
Asses and jennets	5	260

Total live stock, 7,683 \$97,235  
Money, notes, etc. 48,775  
All other personal property 20,450

Total personal property \$166,460  
Total real estate \$610,770

Grand total \$777,230  
The personal property last year was as follows:

	Number.	Value
Horses	1,158	\$43,570
Mules	200	8,620
Cattle	2,234	32,060
Hogs	2,338	9,400
Sheep	1,295	1,185
Asses and jennets	1	100

Total live stock, 7,226 \$94,935  
Money, notes, etc. 50,800  
All other personal property 19,295

Total personal \$165,030  
Total real estate 589,050

Grand total \$754,080

## BEGINS ST. JOSEPH REVIVAL.

The Rev. G. S. Cox, Methodist Pastor, Conducts Evangelistic Services.

The revival services being held at the Grace Methodist church, St. Joseph, under the auspices of the Rev. G. S. Cox, pastor of the First Methodist church of this city, received the following notice in yesterday's St. Joseph Gazette:

Another week of revival at the Grace Methodist church was started last night, when Rev. Gilbert S. Cox of Maryville, not only popular as a minister, but as a singer, had charge of the services, which, up to the present, had been conducted by the pastor, Rev. L. M. Jones.

The subject of last night's sermon was "A Nation Builder's Fate." Rev. Cox sang "Just As I Am," by Hawley. He will continue to have charge of the services this week. The revival is attracting large crowds and much earnestness is being shown.

## ELECT BOARD OF DIRECTORS.

Graham Telephone Exchange Holds Annual Meeting.

The annual election of the board of directors of the Graham telephone exchange was held yesterday afternoon.

Three of the old board were re-elected and two new members were chosen. George McNeal was re-elected president and Theodore Snowberger re-elected vice president. Frank McNeal of the old board of directors was re-elected and the two new members chosen were Henry Wachtel and Phillip Daise, to take the places made vacant by the retirement of Joseph Galbreath and T. R. McNeal.

## GET OUT FARMERS

CIVIC CLUB CANVASSES TOWNSHIP FOR NORMAL COURSE.

## STARTS NEXT TUESDAY

Five Days Farm and Home Institute to Be Held at State School—Ends With Banquet.

Forty-eight of Maryville's biggest boosters for the city and the State Normal school started out over Polk township and vicinity this morning in twenty motor cars to set tickets for the Normal farm and home institute, to be held here December 8 to 12 inclusive. A program and a booklet descriptive of the innovation, will be distributed at each farm home, and a house-to-house canvass will be made today for the ticket sale.

The half-hundred workers, most of whom are members of the Commercial club, which is co-operating with the state institution in inaugurating the institute, expect to sell at least 200 tickets today at \$1 and \$1.50 each. Every farmer will be told of the advantages of attending the lectures, demonstrations and addresses of the five days. They seem to be greatly interested in the movement.

### Night Lectures Free.

The \$1.50 ticket entitles the holder to attendance at each morning, afternoon and night number, free transportation from the court house square to the Normal, and a plate at the banquet. Single admission to any morning or afternoon number will be 10 cents. The night lectures will be free, except the one Thursday night, December 10, when T. E. Quisenberry, state poultry expert, will give a lecture and motion picture portrayal on poultry raising.

Every night lecture, except the one Thursday night, will be held in the circuit court room of the court house. The motion picture portrayal and lecture on poultry will be in the Empire theater. An admission charge to that of 10 cents has been arranged. The banquet probably will be held at the Normal unless sufficient room can be arranged at the Elks club.

### Provide Transportation.

The morning sessions at the Normal will consist principally of round table discussions between lecturers and attendants. They will be between 10 and 12 o'clock. The afternoon series will consist of lectures and demonstrations from 1 to 4 o'clock. The night lectures will begin at 7:30 or 8 o'clock. Transportation to the Normal will be provided from 10 to 10:30 o'clock in the morning and from 1 to 1:30 o'clock in the afternoon, according to S. H. Kemp, a member of the Commercial club institute committee.

While all lectures and demonstrations, except on the closing day, will interest principally the farmer, the Saturday program provides for entertainment and instruction to boys and girls and women. Prof. H. A. Winter of the University of Illinois, of Champagne, Ill., of "baby beef" fame and organizer of boys' and girls' farm clubs, will be present to talk to the youths.

### Cater to Women and Youths.

It is planned, after this year, to arrange more entertainment and instruction for the youths and women of the farms as well as the farmers. It is planned to ask for an appropriation from the next state legislature for the support of a farm and home institute at the local State Normal annually. The initial one this year is being arranged alone by the Normal. The sale of tickets will only pay for the banquet expense, it is believed, while the remainder of expense this year must be borne by the Normal school, it is said. This is the first time the Normal has put on such a course. In 1911 and 1912 the state university provided a short course for farmers at the Maryville Normal, but provided only members of the university faculty as lecturers.

### These Make Canvass.

Those who went on the canvass today were J. F. Hull, Hubert Null, Benjamin Cox, John Yates, Len Epperson, W. O. Garrett, Harvey Duncan, Charles Stafford, W. M. Oakerson, Walter Mutz, Edward Otis, Charles Wadley, H. H. Lyle, J. L. Lorraine, J. F. Roelofson, W. W. Glass, Arch Willhoite, Charles McNeal, E. C. Curfman, J. J. ## RUSS REPORT GAIN

OFFICIAL ANNOUNCEMENT DISPLAYS ADVANCE ON GERMANS.

## DISLODGE PRUSSAINS

Russ' Troops Possess Szerloff, After Routing Five Batteries of Teutonic Infantry—Continue Offensive.

Petrograd, Dec. 2.—An official communication issued from the general headquarters of the Russian army here last night says:

"On the left bank of the river Vistula, in the region of Lodz, the action continued against the enemy, which developed on November 30, in an attack being directed principally against the front of the German forces between Bielawy and Sootanorb, of Lowiz.

"Our offensive was crowned with success. In the region of Lodz the artillery action has been very energetic. November 30 the enemy resumed the offensive near Scradz. In the region of Lask our advance guard engaged in a fierce combat which lasted all day.

"To the south, after the battle, we took possession of Szerloff, where the Prussian infantry brigade of five batteries was dislodged and fled in disorder."

## HOLD NEGRO FOR ROBBERY

Ned Holmes, Charged With Cafe Burglary, to Be Tried in Circuit Court.

Ned Holmes, 1107 East Third street, a negro, was bound over for trial in the January term of circuit court here on a charge of burglary and larceny, following his preliminary hearing before Justice Warren L. Johnson, this afternoon. He was arrested a few hours after the robbery of the restaurant of Binter & Co., Third and Market streets, Sunday morning. One ham, some cigars and \$11.17 in money was reported taken. Entrance was gained through a basement door.

The trial of Holmes was begun at 1:30 o'clock and lasted one hour. Several witnesses were examined on both sides. Holmes was committed to the county jail in default of \$1,000 bond.

## IMPROVES COUNTY OFFICE.

Highway Engineer Installs Cabinet and Washroom in New Room.

The newly created office of County Highway Engineer John Clary, between the offices of the county court and public administrator, is being further improved this week. A new filing cabinet has been installed for the convenience in that office and a washroom installed there. The windows facing the south also will be enlarged.

## Would Perfect Farm Title.

A suit to perfect the title to 160 acres of land northwest of Maryville, in Polk township, was filed with Circuit Clerk Eugene Rathbun this morning by Elias D. Orear against Mr. and Mrs. James Willis of Indiana and Mrs. Sarah J. Willis of Maryville.

REAR ADMIRAL MAHAN  
PASSES AWAY

Noted Naval Expert Succumbs  
at Age of Seventy-four.

Washington, Dec. 2.—Rear Admiral Alfred Thayer Mahan, retired, the noted naval expert and writer, died here.

Admiral Mahan had been a patient in the naval hospital. He was born at West Point, N. Y., seventy-four years ago and after notable service in the navy was retired in 1896. He was recognized as an international authority on naval warfare and his writings and criticisms of naval affairs attracted wide attention.

It has been said of Rear Admiral Mahan that his works on the influence of sea power on world history are responsible for the German emperor's naval policy and have a more profound influence on the trend of the naval thought and action, not only in the United States and Germany, but in Great Britain and throughout the world, than the writing of any other man of his day.

Emperor William has been for twenty-five years a close student of all that Mahan has written and it is asserted by imperial command even magazine articles have been reproduced in the German tongue, that nothing from the great American authority should be lost to the Kaiser's officers.

APPEAL FOR AID OF JEWS

American Committee Asks Funds For Sufferers in War Zone.

New York, Dec. 2.—"The greatest crisis that has faced the Jewish people in modern times" now confronts that race, in the opinion of the American Jewish relief committee for sufferers of the war. This committee, organized here in October at a conference of more than 100 national Jewish bodies, announced the election of Louis Marshall as chairman, Cyrus I. Sulzberger as secretary and Felix M. Warburg as treasurer.

With the announcement was issued an appeal for funds to assist the committee to aid impoverished Jews in the European nations at war. It was stated that more than 9,000,000 Jews live within the area of conflict and that 600,000 of them are in the actual war zone in Poland, Galicia, and along the whole Russian frontier. "Hunger, disease, destitution, in its extremest form," the appeal declares, "confront a Jewish population as numerous as that of Belgium."

Alton Report Shows Deficit.

Chicago, Dec. 2.—The annual report of the Chicago and Alton Railroad company for the year ending June 30 shows a decrease in operating income of \$482,000 and a decline in income from all sources of \$475,000. The deficit increased \$979,000.

BERNEY HARRIS

SAYS U. S. MAY HAVE  
TO FIGHT WINNER

McClellan Thinks America Probably Must Meet Victor.

Princeton, N. J., Dec. 2.—That general disarmament and universal peace will follow the European war and that the United States may have trouble with the winner were predictions made by George McClellan, former mayor of New York and now professor of economic history in Princeton university, in an address which he delivered here.

"No matter who wins," said Professor McClellan, "it is almost certain that at some not far distant date we shall be confronted with the alternative of either abandoning the Monroe doctrine or fighting to maintain it. We have made of it a great national principle, a question of national honor, so that if we abandon it we must concede that we are not strong enough to maintain it; that we are only a second class power; at the mercy of all the swarming hordes of the earth. If we fight for it in our present unprepared condition, there can be but one outcome. A triumphant and victorious Germany would have little to fear from us, and while we might possibly in the end be able to check Japan by itself, we could scarcely hope to do so if it received help."

TEUTONS MOVING FORWARD

Germans Resume Execution of Plan to Turn Russian Flank.

Berlin, Dec. 2.—Latest reports from Russian Poland given out officially in Berlin indicate that the Germans have resumed the execution of their plan to encircle the Russian right flank and force it back on the center, at the same time cutting off the Russian communication with Warsaw.

The carrying out of this plan, which began with a Russian defeat at Lipno and at Plock later was hindered by the arrival of Russian reinforcements and the Germans for a moment were thrown on their defense. Now, after repulsing a number of attacks, the Germans appear to be moving forward in the direction of Lodz.

German movements in this region have not been interfered with in the last few days and this, German military observers say, must be taken as a highly favorable sign, as, in their opinion, a German repulse of the Russian advances probably has been followed by a general offensive movement of the Germans toward Lodz.

Raise Galveston Wheat Embargo.

The embargo of the railroads against the shipment of wheat to Gal-

veston has been raised, according to J. R. Koontz, general freight agent of the Santa Fe.

The Galveston embargo problem has troubled the shippers and railroads since the harvest of the wheat crop. Upon the opening of the European war shipments of wheat for the Texas part was so heavy that traffic was tied up. Elevators there could not handle the grain as fast as it came in. Train service became crippled and, as a result, all railroads issued embargoes against Galveston. Once or twice the embargo has been raised but had to be put back an account of the movement of the grain.

PRESBYTERIAN TEAM WINS.

Two Church Teams Play Initial Game at High School Gymnasium.

In the first game between the First Presbyterian and First Christian church basket ball teams, played last night at the Washington school gym, the Presbyterians won by a score of 12 to 8.

The regular monthly supper of the Presbyterian Men's club was served at 6:30 o'clock at the church, and following the supper a program of entertainment was given. A fancy drill given by the boys and girls was very well done and pleasing to the crowd. The program was in charge of Prof. H. P. Swinehart, and after a few short speeches made over the supper table the members adjourned to the gymnasium.

Former Resident Dies.

News has been received of the death of John L. Cooper, a one-time resident of Maryville, who died Friday at his home in Wathena, Kan. Mr. Cooper was known to most of the older residents of the county. When a young man he came to Nodaway county from Indiana and settled on a farm near Maryville. Eighteen years ago he moved to Wathena.

Anker-Holth Self-Balancing,  
Cream Separator

The greatest trouble and expense other manufacturers have had to contend with, has been the balancing of the bowl; and the many complaints from farmers who have found the bowl out of balance and unfit after a few weeks of service after they got a separator, have been numerous where the separators were hand balanced.

The Anker-Holth Bowl can never get out of balance and the disc doesn't have to be placed in a numerical order, as in all other separators because the bowl is self-balancing.

### Here on Business.

John Boyer and W. H. Davis of Burlington Junction spent the day in Maryville looking after business interests.

### FILE PRICE WILL.

Wife of Deceased Barnard Man Gets Entire Estate Testament Provides  
The will of Osborn Price, 71 years old, who died at his home at Barnard November 21, was filed with Probate Judge W. H. Conn, yesterday afternoon. He leaves the entire estate of both real and personal property to his wife, Madacre Price. She also is named as administratrix of the estate. The will was made in May, 1911.

### PASSENGER FARES ARE HIGHER. Increase in Central Portion Beginning Today Affects This Section—Government Approves.

The new passenger rates in the Central Passenger association territory, lying between the Mississippi river and Pittsburg and Detroit, today became effective. These rates increase the passenger fares in about 40 per cent of the territory to an average of about 2½ cents a mile. The remaining 60 per cent of the territory will be affected only slightly.

The new rates will increase the passenger rate between St. Louis and Chicago from \$5.80, to \$7.50, and between Chicago and Detroit from \$5.50 to \$6.80.

Similar increases in passenger rates in the eastern territory affecting New York will go in effect December 15.

The increase in the fares has been upheld by the interstate commerce commission in a decision this week at Washington.

While neither the central or eastern districts do not extend west of the Mississippi river, it will, in a measure, affect the through rates from this section, where the ticket reads for any point in those territories or where it passes through that section.

### Home for Holidays.

Miss Frankie Hollowell, who has been employed as head of the millinery department of the Highton Mercantile company of Crete, Neb., has returned to Maryville to spend the holidays.

### QUAIL SEASON OPENS.

### Nodaway Hunters Go After Birds With Close of Squirrel Killing.

The quail season opened in Missouri yesterday for one month with the close of the season on squirrels which has been on this fall. Nodaway county hunters eagerly awaited the quail hunting month and took advantage of the bar removal yesterday with an eager search over the farms for the brown birds. The law prohibits the killing of more than ten quails per day by any one hunter.

It is reported that quails are quite plentiful in this county, due to the dry weather of the summer when the birds were being raised and the favorable weather of this fall. The appearance of several coveys of prairie chickens in Nodaway county also is reported by farmers and hunters.

The taking of this fowl, however, is prohibited by a five-year law in Missouri, passed at the last legislative session. The hunt on ducks, geese and other wild water fowl also continues but with not so much zeal as earlier in the season, due to the absence of many of the birds, it is said.

### Many See "The Gambler."

A large crowd attended both shows of the Fern theater last night to witness a motion picture portrayal of the work of fiction, "The Gambler." It was in five reels. The acting was good and the pictures plain and distinct. Another feature film will be shown by Manager James Ellis tomorrow night in the form of a society drama.

### Returns to Quincy.

Magnus Tate, who has been spending the Thanksgiving vacation with his parents, Mr. and Mrs. M. G. Tate, left Monday night for Quincy, Ill., to resume his studies at the Gem City Business college.

### Issue Shorthorn Book.

The state board of agriculture will issue a new Missouri Shorthorn history this week. The book this year will be an improvement over preceding ones, it is announced.

### Hopkins Visitor Here.

Miss Sara McMaster of Hopkins is visiting in the city, the guest of Mrs. W. M. Westbrook and Miss Alice Porter.

### JUNIORS CHALLENGE SENIORS.

### Third and Fourth Year Normal Athletes to Play Basket Ball Game.

A challenge to a basket ball game was made by the juniors of the State Normal school at assembly this morning to the basket ball experts of the senior team. It was accepted immediately. The game between the two classes will be held in the Normal gymnasium the first part of next week.

As the players in the first team decided by the recent four-team tournament are about evenly divided among the two classes, the game promises to be unusually interesting and close.

Fred Vandersloot and Orin Quinn are probably the better players of the senior class, while Howard Leech and Lee Scarlet rank well in basket ball-dom in the junior class.

### Returns to Arizona.

F. L. Holt and daughter, who have been spending a couple of weeks visiting Mr. Holt's parents, Mr. and Mrs. L. R. Holt, left yesterday for their home.

## FOUR MONARCHS WITH ARMIES

Kaiser, Czar and Kings of England and Belgium at Fronts.

### NICHOLAS RUSHES TO FIELD.

Great Struggle In Northern Poland Virtually Fought Under Eyes of Two Emperors—Poincare Leaves on Another Trip to Battle Ground.

London, Dec. 2.—The battle in northern Poland, concerning the progress of which there has been so much mystery, is now being fought out under the eyes of the German emperor on the one side and the Russian emperor on the other. These two monarchs have left for the front so that virtually the heads of all the nations at war are with their troops.

The king of England is in France; the king of Belgium, as usual, is spending all his time with his soldiers, while President Poincare of France started for another visit to the northern battlefield.

#### Hands and Feet Frozen.

The condition of German prisoners captured in the vicinity of Lodz is said to resemble that of the French troops during Napoleon's retreat from Moscow. Many of them have frozen hands and feet. They were wrapped in blankets and shawls taken from the peasants. One private wore a woman's fur wrap. The prisoners say that before their capture their courage was kept up by statements that the quartermaster was bringing warm clothes which would be distributed in a few days.

### CAPTAIN CAREY EXONERATED

Says Lack of Liquor Aboard U. S. Cutter Cost Several Lives.

San Francisco, Dec. 2.—Captain J. J. Carey, master of the steamship Hana- lei, which went ashore Nov. 23 on Duxbury reef, near the Golden Gate, with a loss of twenty-three lives, was exonerated of responsibility for the accident by a coroner's jury.

Testifying before the jury, Captain Carey expressed the belief that if the revenue cutter McCulloch, which picked up a number of survivors, had had liquor or other stimulants aboard, four or five persons would have been saved from death from exhaustion and exposure. He thought a swallow of liquor would have resuscitated several who were picked up unconscious and did not revive.

#### Ecuador to Probe Charges of Allies.

Guayaquil, Ecuador, Dec. 2.—A commission appointed to investigate the alleged violation of neutrality of Ecuador left by the national transport Constitution for the Galapagos islands in the Pacific ocean. Both Great Britain and France have warned Ecuador and Colombia that violations of neutrality by those countries would not be tolerated. This warning was founded on the charges that both Ecuador and Colombia have permitted wireless messages to be sent to German ships and have allowed the German fleet to coal in their territory.

#### Church Merger Is Declared Legal.

Jefferson City, Mo., Dec. 2.—The consolidation of the Presbyterian church (north) and the Cumberland Presbyterian church is valid, according to a decision of the Missouri supreme court. The property of the Cumberland church at Marshall, Mo., under the decision of the court, becomes the property of the Presbyterian church, regardless of the fact that it was paid for by members of the old Cumberland church.

#### Severe Fighting Along Yser Canal.

London, Dec. 2.—Violent fighting is in progress along the Yser canal, according to a telegram from Sluis. The roaring of heavy guns has been heard all day and houses as far away as Sluis are shaken.

## MISSOURI WOMAN IS WELL AND HAPPY AFETR HEALTH MIRACLE

She Leads Active Life in Country After Recovery by Using Remarkable Remedy.

Mrs. J. B. Trullinger of Norborne, Mo., was ill for months with derangements of the digestive tract. She suffered terrible pain and was seldom able to be about.

She took Mayr's Wonderful Stomach Remedy with results that most happily surprised her and astonished her physician.

Mrs. Trullinger lives out on rural route 1, out of Norborne, and leads an active country life. She writes:

"I take great pleasure in telling you what Mayr's Wonderful Stomach Remedy has done for me. When I wrote you last March I was hardly able to be up at all. I endured awful suffering. I would get so bad I would become unconscious, and the nauseating spells

I had would leave me as weak as if I had a long spell of sickness nearly as bad as typhoid.

"Words cannot express the appreciation I have for your medicine. I am now able to work all day long. All this summer and fall I have felt just fine, gaining in strength and flesh."

Just such happy stories are told by thousands who write after taking Mayr's Wonderful Stomach Remedy. The first dose convinces.

We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy—one dose will convince you. This is the medicine so many of our people have been taking with surprising results. The most thorough system cleanser ever sold. Mayr's Wonderful Stomach Remedy is now sold here by Pearson's Pharmacy and druggists everywhere.
